Welcome to homesite 126 of the Duet Collection at Sterling Ranch, a spacious Plan 3 duplex offering approximately 2,028 finished sq. ft. of thoughtfully designed living space. The floorplan features a large great room, a covered outdoor room, and an in-ground unfinished basement. Modern living comes together with a professionally designed finish package that includes LVP wood-like flooring, a tankless water heater, a gas line to the range, AC, and more. This Colorado Farmhouse—style home offers 3 bedrooms and 2.5 bathrooms, a main floor office, an upstairs loft, a dramatic two-story vaulted ceiling at the dining room, a kitchen with white cabinets and quartz countertops, stainless steel appliances including a gas range and vented microwave, an unfinished basement with generous storage space, a covered outdoor room off the kitchen and dining area, and a 2-car garage with an 8' door, all located near parks and trails.
