Homesite 120 at Sterling Ranch – Duets by Trumark Homes features Plan 3 with the High Country Ranch elevation and approximately 2,028 sq. ft. of thoughtfully designed living space. This home showcases a gourmet kitchen, the professionally designed Diana II finish package with white cabinetry, matte black faucets and hardware, and upgraded iron railing details. A dedicated office with French doors provides a private space for working from home, while the open-concept layout is designed for comfortable everyday living and entertaining.

Additional highlights include a full unfinished basement, a large covered patio, and an oversized front porch that enhances the home's curb appeal and outdoor living opportunities. With a desirable south-facing homesite and designer-selected finishes throughout, this home offers a perfect blend of style and functionality.
