Welcome to homesite 224 of the Harmony Collection at Sterling Ranch. This Plan 5 single-family home offers approximately 2,491 finished square feet of thoughtfully designed living space, blending modern comfort with everyday functionality. The home features a main-floor office, a 42" fireplace in the great room, an upstairs loft, and an unfinished basement ready for future expansion. Designed with the Heather II finish package, this home includes LVP wood-style flooring, a tankless water heater, a gas line to the range, air conditioning, and more, bringing modern living and lifestyle together in perfect harmony. The High Country Ranch elevation showcases four bedrooms (including the main-floor office), three and a half bathrooms, a spacious primary suite with dual sinks and an oversized walk-in shower, and an unfinished basement with rough-in plumbing for a future bath. The gourmet kitchen features white cabinetry, quartz countertops, and stainless steel appliances, while the covered Colorado outdoor room extends your living space outdoors. Come tour your future home today!
