Homesite 3302 at Tanterra Kestrel by Trumark Homes features Plan 2517 with Elevation C and approximately 2,517 sq. ft. of thoughtfully designed living space. This home showcases the Heather Plus finish package with white cabinetry, matte black finishes, and a striking black horizontal metal railing that adds contemporary style throughout. A dedicated study with French doors provides the perfect space for working from home, while the fireplace creates a warm and inviting focal point in the main living area.

Situated on a desirable garden-level homesite backing to open space, this home offers enhanced privacy and beautiful views. With 4 bedrooms, 3 bathrooms, and thoughtfully selected designer finishes, this home blends functionality, comfort, and modern style.
