12732 Mighty Eagle Drive at Tanterra Osprey by Trumark Homes features Plan 1A, a thoughtfully designed ranch home with approximately 3,312 finished sq. ft. of living space, including a finished walkout basement. This spacious home showcases a Gourmet Café kitchen with under-cabinet lighting, matte black railing and trim details, and designer-selected finishes throughout. A private study with glass French doors provides the ideal space for working from home, while the open-concept layout creates a comfortable setting for everyday living and entertaining.

Situated on an oversized homesite, the finished walkout basement adds valuable living space and flexibility. With 4 bedrooms and 4 bathrooms, this home combines ranch-style convenience with elevated finishes and a thoughtfully designed layout ideal for modern living.
