Homesite 0902 at Tanterra Osprey by Trumark Homes features the Glen floorplan with a modern elevation and approximately 3,312 sq. ft. of thoughtfully designed living space. This spacious ranch home offers exceptional flexibility with a total of 4 bedrooms, 4 bathrooms, a dedicated office space and fully finished basement. The open-concept layout is enhanced by a gourmet kitchen featuring 42-inch white cabinetry, quartz countertops, and seamless flow into the great room.

The fully finished basement layout caters to entertainment space in the media room, perfect for movie watching or game play, along with the fourth bedroom and bathroom. The open flex space can be used for working out, doing yoga or your favorite crafts! Located within walking distance of community parks, this home combines modern design, functional living spaces, and a desirable location in one exceptional package.
