Homesite 0402 at Tanterra Osprey by Trumark Homes features the Hollow floorplan with approximately 2,559 sq. ft. of thoughtfully designed living space. This versatile home includes a main-level bedroom with a full bath, making it ideal for guests, multigenerational living, or a private workspace. The open-concept design is enhanced by 42-inch slate-colored cabinetry, quartz countertops, a fireplace in the family room, and a striking black iron railing that adds architectural character throughout the home.

Upstairs, you'll find additional bedrooms and a flexible loft space that can be used as a media room, study area, or secondary living space. A covered outdoor room extends the living area outdoors, while the full unfinished basement provides ample storage and future expansion opportunities. Located within walking distance of community parks, this home offers a perfect balance of comfort, style, and convenience.
