Homesite 1517 at Festival at RainDance by Trumark Homes is a flexible two-story home offering 2,752 finished square feet of living space. Beyond the entrance hall, you'll discover a gourmet kitchen with a spacious walk-in pantry and a center preparation island. The island opens to the dining area with its open ceiling design, as well as the great room, which is anchored by a modern gas fireplace with a tiled surround. The kitchen is finished with 42" white shaker-style cabinetry, quartz countertops with a tile backsplash, and a stainless steel appliance package that includes a 5-burner gas cooktop, convection oven, built-in microwave, and dishwasher. Just behind the kitchen is a conveniently located pocket office.

Upstairs, the layout features a versatile bonus room, two secondary bedrooms connected by an ensuite bathroom with dual sinks, and a primary suite designed for relaxation. The spa-inspired primary bathroom offers a freestanding tub, a walk-in shower, and a large walk-in closet. Throughout the home, thoughtful finishes include LVP flooring, carpeted bedrooms, and deluxe tile in the primary shower.

This home also offers a covered patio overlooking the backyard, an unfinished basement for future customization, and a spacious three-car tandem garage. Practical features such as an insulated steel garage door, tankless water heater, and AC add both comfort and efficiency.
