1669 Winter Glow Drive at Festival by Trumark Homes offers approximately 2,875 sq. ft. of thoughtfully designed living space with 5 bedrooms, 4 bathrooms, and a 3-car tandem garage. This spacious home showcases designer-selected finishes including white cabinetry, matte black fixtures, and GE Café appliances that bring style and functionality to the heart of the home. A fireplace creates a warm focal point in the main living area, while the open-concept design provides comfortable spaces for both everyday living and entertaining.

Additional highlights include a deck for outdoor enjoyment, a luxurious primary suite with a soaking tub, and a desirable homesite backing to a greenbelt. Full yard landscaping and fencing add convenience and value, creating a move-in ready outdoor living experience.
