Experience elevated Pacific Northwest living at Glacier Pointe at Tehaleh by Trumark Homes. Within this newly released collection of 13 luxury homesites, Homesite 1506 offers an expansive 12,214 square foot homesite and approximately 3,618 square feet of thoughtfully designed living space in one of Bonney Lake's most sought after master planned communities.

Designed for flexibility and modern living, the main level features a private studio with bathroom, ideal for multigenerational living, guests, or a dedicated work from home retreat. A chef inspired kitchen with KitchenAid stainless steel appliances, including a 36" cooktop, is complemented by a prep kitchen for enhanced functionality. The open concept main living area flows seamlessly to a covered outdoor living space, creating effortless indoor outdoor connection year round. Upstairs, four bedrooms, including a dedicated office, are joined by a bonus loft, offering additional flexibility for work, study, or relaxation. Thoughtful design details throughout include faux beams in the great room, a beverage bar with refrigerator, and upgraded laundry room cabinetry with sink, all enhancing both style and livability.
