Homesite 24 at Trails End offers thoughtfully designed living with 4 bedrooms, a main-level guest room, leisure loft, 2.75 baths, covered outdoor living, and a 3-car garage. Designed for both comfort and flexibility, this 2,586-square-foot Craftsman home blends open-concept gathering spaces with private retreats, making it ideal for modern living.

A welcoming entry opens into the foyer, where a private guest room and adjacent 3/4 bath create a flexible space for overnight visitors, multigenerational living, or a dedicated home office. Beyond the entry, the open-concept great room, dining area, and kitchen flow seamlessly together to create an inviting setting for everyday living and entertaining. The well-appointed kitchen features a spacious pantry, while the covered outdoor living area extends the home's gathering space outdoors for year-round enjoyment. Designer upgrades throughout the main level include lower cabinetry in the great room, coffered ceiling details in the guest room, and a convenient garage man door.

Upstairs, the spacious primary suite offers a relaxing retreat with a walk-in closet and private bath, enhanced by a coffered ceiling and an optional direct-access door to the laundry room for added convenience. Two additional bedrooms, a centrally located full bath, and a versatile leisure loft provide flexible spaces for working, relaxing, or spending time with family. An optional transom window in the guest room adds natural light and architectural character, completing this thoughtfully designed home.
