Homesite 22 at Liberty Park is a spacious 2,872-square-foot Craftsman home offering three bedrooms, 3 baths, a main-level den, an upstairs leisure loft, covered outdoor living, and an expansive 4-car garage. Designed to maximize both comfort and versatility, this thoughtfully crafted home features open-concept living spaces alongside flexible rooms that easily adapt to the needs of today's lifestyles.

A welcoming grand foyer leads into the heart of the home, where the open-concept great room, dining area, and kitchen create an inviting space for everyday living and entertaining. The well-appointed kitchen features a spacious center island, walk-in pantry, and direct access to the covered outdoor living area, making indoor-outdoor gatherings effortless. A private den and adjacent 3/4 bath on the main level provide a flexible space for a home office, overnight guests, or multigenerational living. Designer-selected upgrades, including a coffered ceiling with stained faux beams in the great room, add warmth, character, and architectural interest throughout the main living area.

Upstairs, the spacious primary suite offers a relaxing retreat with a coffered ceiling, walk-in closet, and a well-appointed en-suite bath. Two additional bedrooms, a centrally located full bath, and a versatile leisure loft provide flexible spaces for working from home, relaxing, or gathering with family and friends. The upgraded laundry room includes additional upper and lower cabinetry for enhanced storage and organization, while a built-in mudroom bench and convenient man door from the oversized 4-car garage add practical touches that make everyday living even easier.
