🚗 3 Car Garage

Versatile multigenerational living meets modern new construction in the desirable Long Lake area of Lacey! This thoughtfully designed two-story home offers 4 bedrooms upstairs in the main residence, plus an attached main floor suite with its own private side entry, bedroom, living room/kitchenette, full bath with walk-in shower, and washer/dryer hookups. Perfect for extended family, guests or a private space for work or hobbies. Situated on a fully fenced and landscaped 9,000 sq ft lot, there's room to enjoy the outdoors while maintaining privacy. The oversized 3-car garage adds even more flexibility, with the third bay offering RV/travel-trailer height door & ceiling. Step into modern comfort and thoughtful design in this beautifully appointed two-story home. The spacious kitchen is a true standout, featuring stylish multi-tone cabinetry, stainless steel Whirlpool appliances, an oversized island with abundant storage and walk-in pantry. A built-in wine or coffee bar add both convenience and character. The home also features a built-in mud bench with coat hooks & wrought-iron stair railings. Upstairs, enjoy a versatile loft area, convenient utility room with washer/dryer. Oversized windows fill the home with natural light, while the covered back patio extends your living space. A perfect blend of style, function, and comfort! A rare combination of space, versatility, and convenience in a great Lacey location!
