Welcome to Trails End at Brookdale by Trumark Homes in Tacoma, WA. This thoughtfully designed two-story home offers approximately 3,245 sq. ft. with 3-4 bedrooms, a den/guest room, leisure loft, media room, 3 baths, covered outdoor living, and a 3-car tandem garage. Available in three distinct elevations including Modern Farmhouse, Craftsman, and Transitional, this home delivers generous space and everyday flexibility for the way you actually live.

The main level sets the stage for comfortable daily living and easy entertaining. A grand foyer opens into a spacious layout where the great room, kitchen, and dining area connect seamlessly. The kitchen flows directly to a walk-in pantry and the surrounding living spaces, keeping everything within reach. A covered outdoor living area extends the home's footprint for year-round enjoyment, and a practical mudroom near the garage entry keeps things organized. A main-floor den/guest room with a 3/4 bath rounds out the first floor with added versatility.

Upstairs, the primary suite offers a private retreat complete with dual walk-in closets and a spa-inspired bath. A leisure loft and dedicated media room provide distinct spaces for unwinding, movie nights, or whatever the moment calls for. Two additional bedrooms share a full bath, and a utility room on the upper level keeps laundry close and convenient.
